

**Fan 80 x 80, 24 V**

including fan grill

Technical specifications:

|                     |             |
|---------------------|-------------|
| Supply voltage      | +24 V DC    |
| Current consumption | typ. 0.07 A |
| Airflow             | 70 m3/h     |
| Noise               | 33 dBA      |
| Bearing System      | Ball        |
| Dimensions          | 80x80x25 mm |
| Fan grill           | 80x80 mm    |
